# FARM PROPERTY RULES & LIABILITY WAIVER

### PHOTOGRAPHY SESSION GUEST & CLIENT AGREEMENT

## PROPERTY RULES & PHOTOGRAPHY SESSION POLICIES

To ensure our working farm remains safe, operational, and beautiful for all visitors, all photographers, crew members, and clients must strictly adhere to the following rules at all times during their session:

- **Designated Areas Only:** All photography activities must remain strictly within your assigned field resource area. Do not cross into unassigned fields, active crop rows, barns, or private farm zones.
- **Prop and Equipment Care:** Vintage trucks, tractors, and generators provided on the property are props only. Do not attempt to start, move, sit on structural machinery parts, or alter any farm equipment or mechanical components without staff assistance.
- **Trash and Setup:** You are fully responsible for removing all props, trash, and equipment brought onto the property immediately following your scheduled block. Leave the field exactly as you found it.
- **Supervision:** Children and pets must be supervised by an adult at all times. Pets must remain on a leash unless actively posing for a photo within your designated field.

## ACKNOWLEDGMENT, LIABILITY WAIVER & RELEASE

By signing below, paying the required session deposit, or entering the property, you (the photographer) and your clients explicitly agree to the following legal terms:

1. **Assumption of Risk:** You acknowledge that a working farm contains inherent risks, including but not limited to uneven terrain, natural elements, wildlife, heavy agricultural machinery, tools, and rustic structures. You voluntarily assume all risks associated with your presence and activities on the property.

2. **Release of Liability:** You hereby release, waive, and forever discharge the farm owners, operators, landlords, and staff from any and all liability, claims, or demands for personal injury, sickness, property damage, or financial loss incurred during or as a result of your session.

3. **Indemnification:** You agree to indemnify and hold harmless the farm from any claims, legal actions, damages, or expenses arising out of your actions or the actions of your clients, guests, or models while on the property.

**I have thoroughly read, understood, and agree to follow all farm rules and legal waiver conditions stated above:**
